

Applicable Terms and Conditions These terms and conditions of sale establish the rights, obligations, and remedies of customer ("Buyer") and Nema Enclosures Manufacturing of Texas, LLC ("Nema Enclosures") that apply to any order issued by Buyer for the purchase of Nema Enclosures' products and/or services ("Products"). No additional or different terms or conditions, whether contained in Buyer's purchase order form or in any other document or communication pertaining to Buyer's order, will be binding on Nema Enclosures unless accepted in writing and signed by an authorized representative of Nema Enclosures. Nema Enclosures expressly objects to and rejects any additional or different terms and conditions. Should any term or provision of these conditions be held by a court of competent jurisdiction to be invalid, void or unenforceable to any extent under applicable law, the validity of the remaining terms under this contract of which these conditions form a part ("Purchase Order") shall not fail by reason thereof but shall be construed in the same manner as if such term or provision had not appeared herein.

Acceptance of Order Acceptance of any Purchase Order is subject to credit approval and acceptance by Nema Enclosures. If Buyer fails to comply with these terms and conditions of sale or if Buyer's credit becomes unsatisfactory to Nema Enclosures, Nema Enclosures reserves the right to terminate the Purchase Order upon notice to Buyer and without liability to Nema Enclosures.
